9 Facts to Know

when purchasing holiday food gifts from America's most Trusted Business Gift Distributor

1. **Convenience!** Instead of sending an employee to the local retail store or having that employee spend hours on the internet trying to find the right gifts, you can purchase your food gifts from the same person who provides your promotional products and business gifts.

2. **Gifts from us promote your company and brand, not ours.** When the recipient opens their gift, the first thing they'll see is your logo, not ours.

3. **Value driven pricing.** Volume purchasing and the absence of certain middle-men allows you to purchase fine-quality gifts for less than you would have to pay elsewhere for stuffy, overpriced brand names.

4. **Fresher gifts taste better (and say something nice about the sender)!** Our gifts are packed-to-order just before the order is shipped, NOT made up many months in advance like so many gifts from the mail-order and retail giants.

5. **Our gifts are jam-packed full of the finest premium chocolates, fresh-roasted nuts and other gourmet treats.** Not filled with fluff and inexpensive fillers like gifts from so many mail-order and retail companies.

6. **We can arrange for shipment to you, or directly to each recipient.** We will even enclose your greeting or business card.

7. **No catalogs or promotional literature in your clients' gifts.** For the giant food gift companies, including their catalogs and promotional literature is a very common practice. We never put our catalog or promotional literature in your gifts.

8. **We will build customized gifts to meet your taste, promotion or budget.**

9. **No risk... because all gifts come with a 100% Money-Back Guarantee.**
